Saturday, August 13	7:15PM	<i>Candlelight Ceremony in the chapel, which parents may attend</i>
Sunday, August 14	9-11AM	Check-OUT: All remaining campers

Parent Guide Highlights

- * Please do NOT use GPS to get to camp. Many GPS units contain inaccurate information for this area.
- * Please put your son's name in or on all clothing and belongings. This streamlines the sorting of laundry after laundry day and facilitates the return of wayward items. On Opening Day, one of your son's counselors will assist you with reviewing the entire contents of your son's luggage and adding names wherever they were missed.
- * Care packages – please prepare these wisely and advise siblings and family members accordingly. All packages are opened by the camper in the office, and it can be very upsetting for the camper to open a package of treats which must be taken away from him. Please do NOT send candy, cookies, drink mixes, gum, lifesavers, or any other food or perishable items, as well as other items such as those listed on page 30. Great items to include are cards, comic books, reading books, puzzles, non-electronic games and toys, newspaper articles, and camper-appropriate magazines.
- * Cabin requests – all first-time campers may request assignment to a cabin with one friend, and we will make every effort to accommodate those requests (and almost always succeed). The friend may be a returning camper or another first-time camper, and the families of both campers must give consent. Returning campers may request assignment to a cabin with a friend who is a returning camper, but should not expect that the assignment will occur.
- * Music devices – there are occasions when a music device with earphones may be used during the camp season. Please ensure that the device uses batteries (sold in the camp store) or a hand-crank, and is inexpensive as we cannot guarantee its condition at the end of camp. Handheld electronic games, cell phones, and any device which requires charging cannot be used at camp and should be left at home.
- * Transportation for Boston Logan airport – WLC staff can meet airline flights which arrive in Boston between 5PM and 8PM on the night BEFORE the first or second month session, i.e. on June 25th or on July 23rd, and can return campers to Boston for flights which leave between 5PM and 8PM of the day the session ends, i.e. July 23rd and August 14th. The fee is \$75 one way. Campers arriving in Boston at other times will need to arrange alternate transport to camp.
- * Transportation for Manchester airport – WLC staff can meet airline flights which arrive in Manchester between 9AM and NOON on the day OF the first or second month session, i.e. on June 26th or on July 24th, and can return campers to Manchester for flights which leave between 9AM and noon of the day the session ends, i.e. July 23rd and August 14th. The fee is \$50 one way. Campers arriving in Manchester at other times will need to arrange alternate transport to camp.
